Figure 3. Terms and condition page

If the user choose to read the terms and condition via the link in the sign up page (Figure 2), they will be presented with this page with all the terms and condition of the website. After they are done reading the T&C an option of returning to the login page (Figure 1) is presented at the bottom of the T&C page.

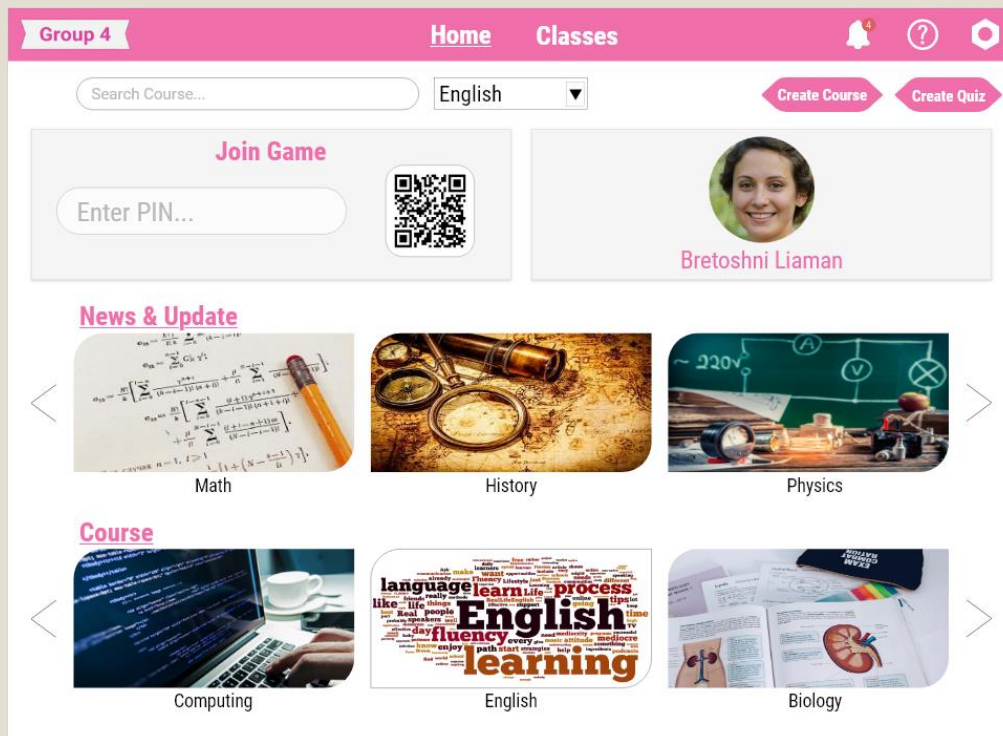

Figure 4. Home page

Choosing the login option in the login page (Figure 1) will direct user to this home page, where they have access to most of the features of the website. Features like Courses, Create courses and Quizzes, Messaging, Account, Setting, etc can all be access here.

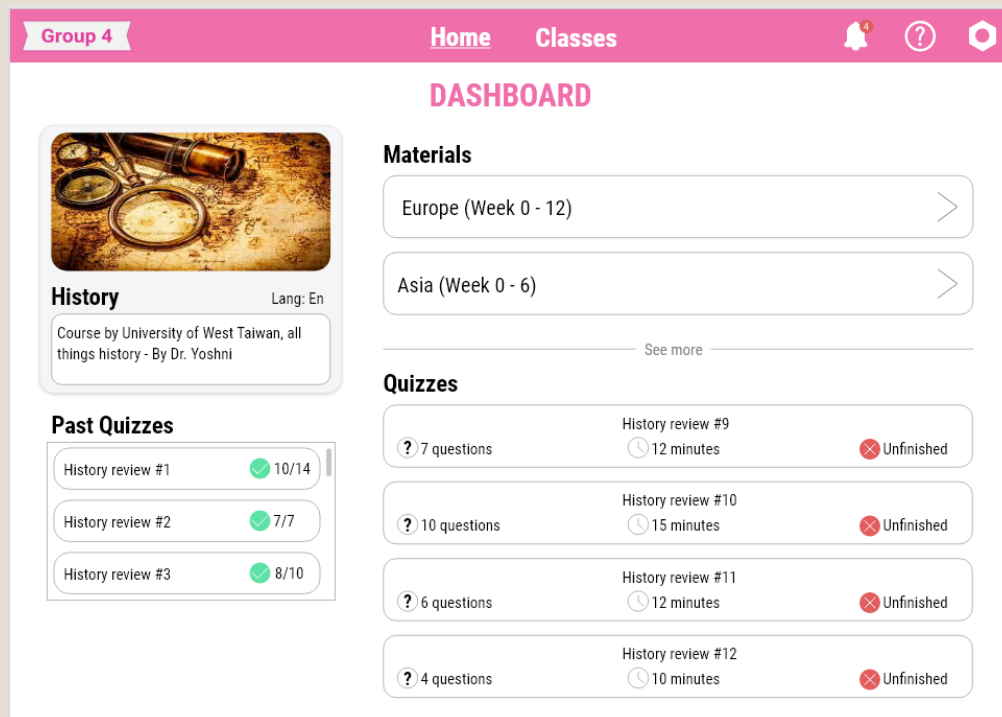

Figure 5. Course page

As of the moment, clicking the history square in “Course” in the home page (Figure 4) will let user travel to this course’s dashboard. Here, they can check out the materials, past and current quizzes.

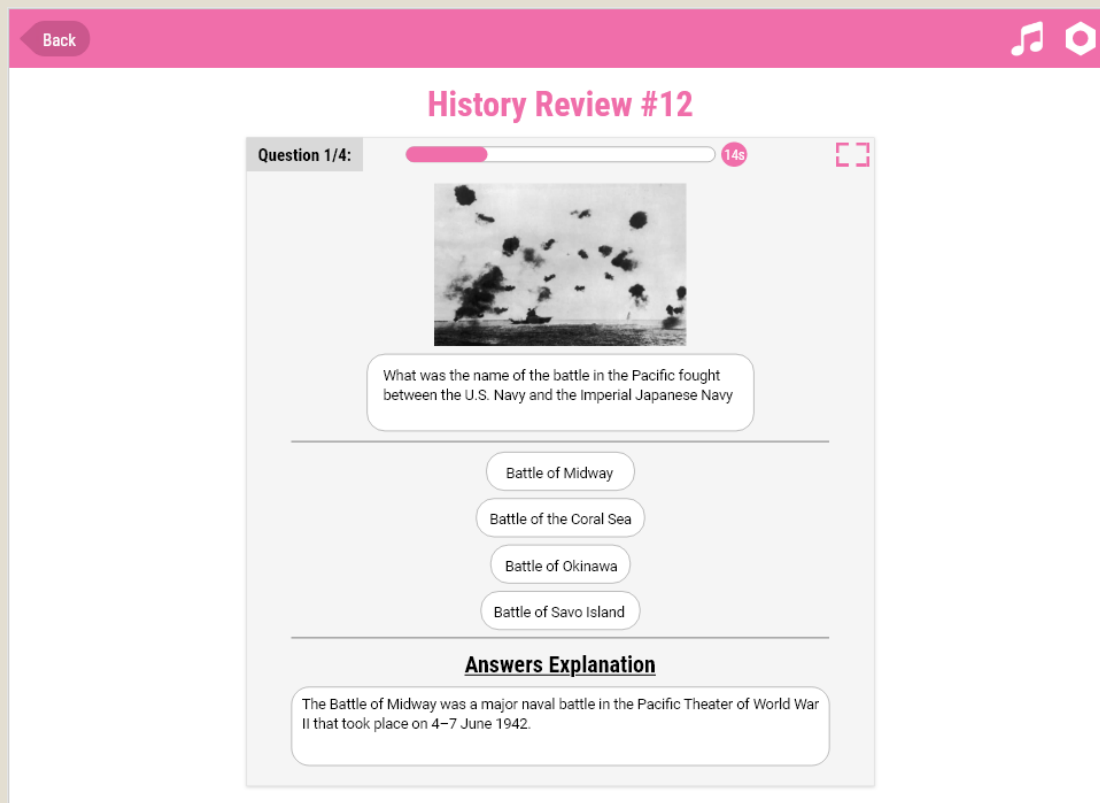

Figure 6.1. Quizzing

Checking on the “History Review #12” quiz in the Course page (Figure 5) will enable user to do the quiz. Here, they can choose to turn on the music they have set in the customization page (Figure 9) or check the setting.

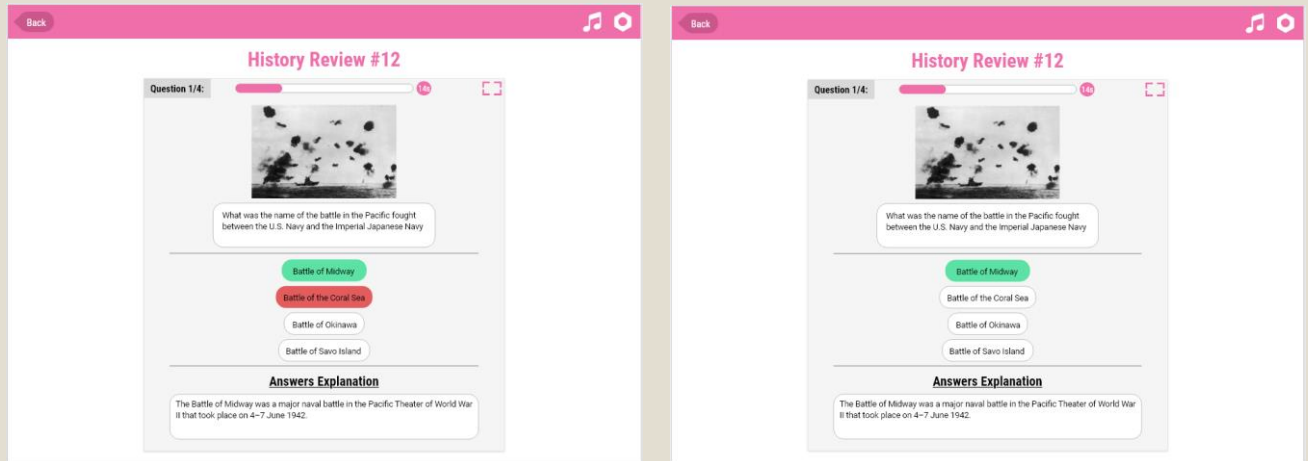

Figure 6.2.

This quiz in particular have 4 answer, if the user got the answer right, that answer will appear green and nothing more. While that is not true if they choose the wrong answer, the green answer will still appear, but the wrong one will be highlighted red.

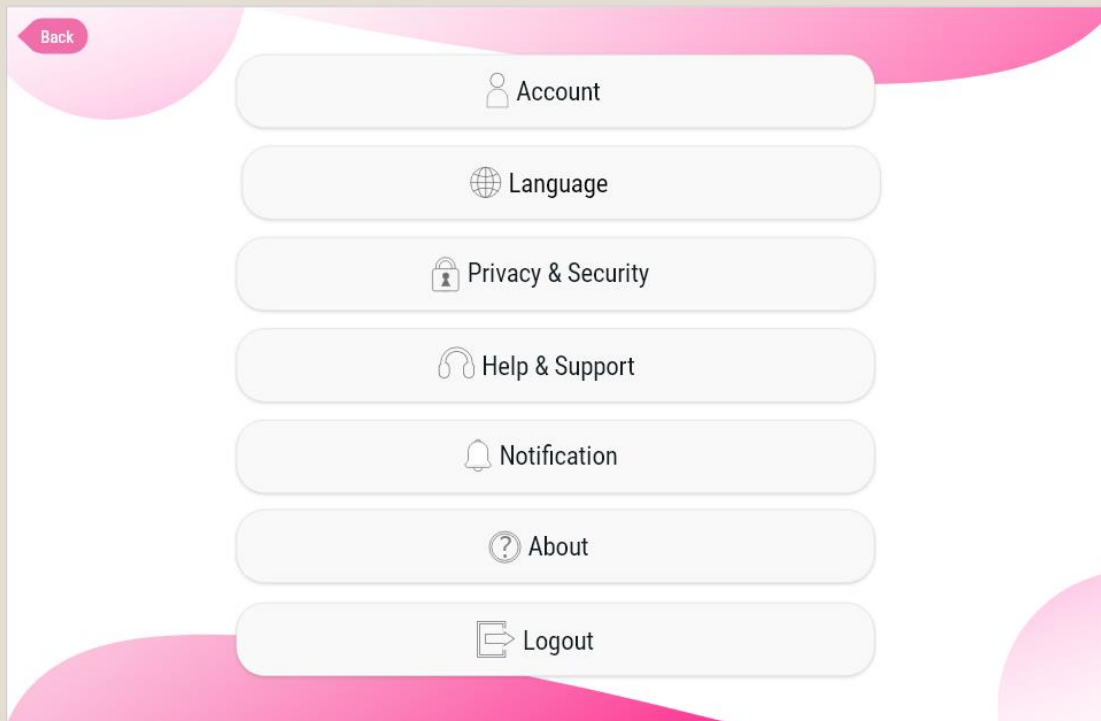

Figure 7. Setting page

Coming back to the home page (Figure 4) and choose the cogwheel on the top right will take user to the setting page, here they have access to all the setting option. If they were to choose log out they will be taken to the log in page (Figure1).

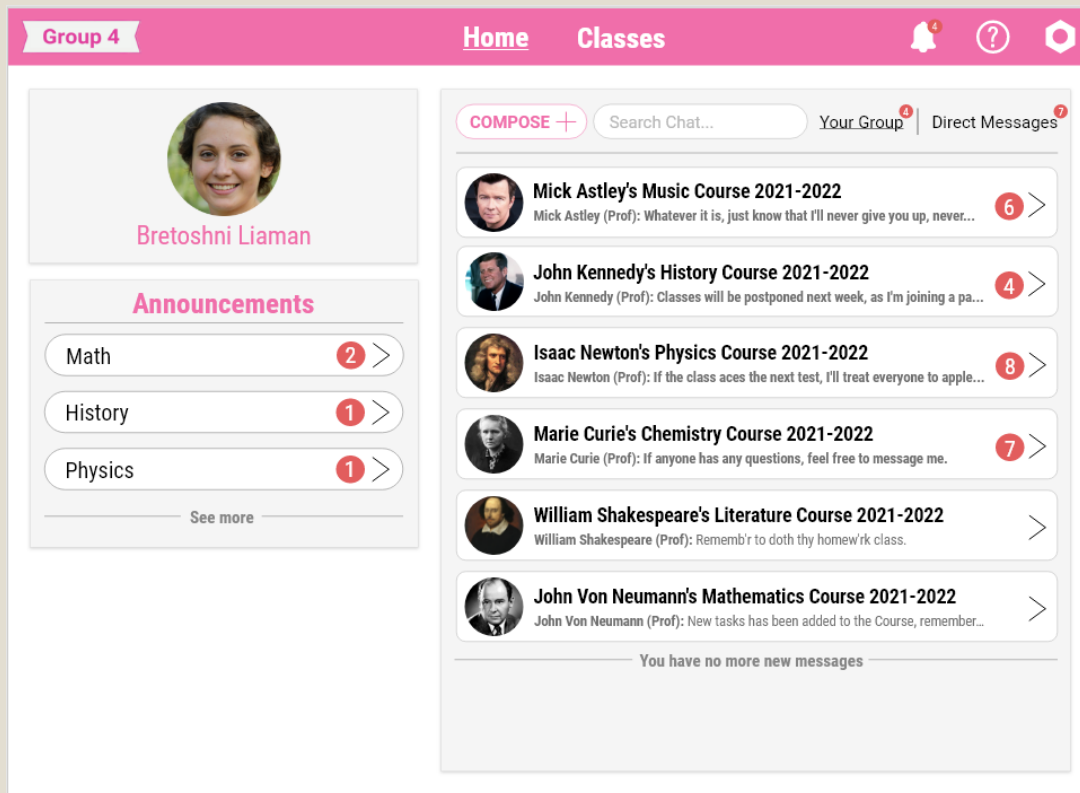

Figure 8. Messaging page

Clicking the bell icon that is visible on some of the pages will make this page appear, here user can chat and exchange with all their peers.

Figure 9. Customization page

Page 12

By clicking your name in the home page (Figure 4), user will be directed to the customization page, here they can make the website suits their own style.

The screenshot shows a web application interface for course creation. The top navigation bar is pink and contains 'Group 4', 'Home', and 'Classes' links, along with icons for notifications, help, and settings. The main content area is titled 'COURSE CREATION' and features a 'Back' button and a 'Save & Proceed' button. The form includes the following fields:

- Course Name:** A text input field containing 'Advanced Philosophy'.
- Language:** A dropdown menu set to 'English'.
- Course Duration:** A text input field containing '12' followed by 'weeks'.
- Course Description:** A large text area containing the text 'Revise your knowledge on the question of "Why?".'.
- Change picture:** A button next to a placeholder image of a classical painting.
- Additional materials:** A toggle switch currently turned off.
- Visibility:** Radio buttons for 'Public' (selected) and 'Private'.

Figure 10.1 Course creation

Clicking the “Create Course” button on the top right of the home page (Figure 4) will enable users to create courses. In this page, they can create and customize courses according to what they see fit.
